

A Message from the Bishop

My Dear Brothers and Sisters,

It is with deep gratitude that we bring you this extended Annual Report heralding the success of the Catholic Foundation of Utah over the last five years. Despite a pandemic that brought many challenges to our daily lives, the Foundation has continued to grow and thrive. Thanks to you, the future of our Diocese is full of promise.

Over the course of its 38-year history, the Foundation has grown in all of the ways we hoped that it would, demonstrating the true meaning of stewardship. As donors continue to give in thoughtful, meaningful ways, our Diocese will continue to prosper for generations to come.

In this report you will see that the funds we steward serve Catholic entities throughout our diocese. The process is organic in the truest sense of the word. Donors prayerfully consider where they can be most impactful with their giving, and those gifts in turn support our parishes and missions, seminarians and priests, Catholic Schools and Catholic charities, social services and beyond. Living as a Christian steward is acknowledging that all we have, and all we are able to do, are gifts from God.

Thank you for supporting our Diocese through the Catholic Foundation of Utah. May your generosity be an example to all who ask how they might be stewards of our Christian faith.

May God bless you all.

Sincerely yours in Christ,

Un Mensaje del Obispo

Mis queridos hermanos y hermanas,

Con profunda gratitud les presentamos este Informe Anual ampliado que anuncia el éxito de la Fundación Católica de Utah en los últimos cinco años. A pesar de una pandemia que trajo muchos desafíos a nuestras vidas cotidianas, la Fundación ha seguido creciendo y prosperando. Gracias a ustedes, el futuro de nuestra Diócesis está lleno de promesas.

A lo largo de sus 38 años de historia, la Fundación ha crecido de todas las maneras que esperábamos que lo hiciera, demostrando el verdadero significado de la corresponsabilidad. A medida que los donadores continúan dando de manera considerada y significativa, nuestra Diócesis continuará prosperando para las generaciones venideras.

En este informe verán que los fondos que administramos sirven a entidades católicas de toda nuestra diócesis. El proceso es orgánico en el verdadero sentido de la palabra. Los donadores consideran en oración dónde pueden tener un mayor impacto con sus donaciones, y esas donaciones a su vez apoyan a nuestras parroquias y misiones, seminaristas y sacerdotes, escuelas católicas y organizaciones benéficas católicas, servicios sociales y más. Vivir como un cristiano corresponsable es reconocer que todo lo que tenemos, y todo lo que somos capaces de hacer, son dones de Dios.

Gracias por apoyar a nuestra Diócesis a través de la Fundación Católica de Utah. Que su generosidad sea un ejemplo para todos los que se preguntan cómo pueden ser administradores de nuestra fe cristiana.

Que Dios los bendiga a todos.

Sinceramente suyo en Cristo,

Reverendísimo Oscar A. Solis, D.D.
Obispo de Salt Lake City

A Message from the Foundation President

It is my honor, along with a sense of personal humility and shared pride, to present to you on behalf of the trustees and staff of the Catholic Foundation of Utah, the 2022 Annual Report. Thanks are due to many, starting with our donors, who generously support the missions and ministries of the Diocese of Salt Lake City. I also must give great thanks to the Foundation staff—starting with Executive Director Nevah Stevenson, Bishop Solis, his diocesan staff, and my fellow trustees, past and present, for their wonderful assistance with transition within the CFU office and my assuming the role of President of the Board of Trustees.

While the Foundation recognizes that this is an overdue publication of our Annual Report, the Catholic Foundation of Utah has continued to steadily provide much needed support to Catholic entities throughout our diocese. In fact, in 2022 the Foundation passed the remarkable milestone of offering over one million dollars for distribution to our beneficiaries. Over the last four years, through the pandemic and beyond, the Foundation has been functioning without interruption in our mission of shepherding and distributing those resources entrusted to us.

This report provides detailed summarization of fiscal year-end financial results from 2018 through 2021. In addition, you will find a detailed compilation of the Catholic Foundation of Utah corpus, endowments, earnings, contributions, and distributions from this fiscal year's audit. We continue to thrive as a toolbox of good options to meet the intentions of donors and the needs of the parishes, schools, missions, and ministries of the Diocese of Salt Lake City.

Please take a moment to enjoy profiles about a few of many wonderful Foundation donors and beneficiaries. The Foundation and the Diocese are blessed by the generosity and vision which created over 400 endowments. The Foundation gratefully accepts donations for new or existing endowments and can assist potential donors and recipients in defining their own legacies. Often funded through wills, insurance proceeds, estate planning or singular gain, endowments are wonderful tools for legacy contributions to the ongoing needs of our diocese. Others are created by families, parishioners, neighbors, or classmates in collaborative celebration or remembrance, and are potentially bolstered by agreements, challenges, and contests for ongoing contributions, or requests for donations in lieu of flowers or gifts.

The Catholic Foundation of Utah faithfully works to shepherd, grow, protect, and distribute the fruits of an endowment's ongoing charitable purpose. Assisting donors in their generosity, and recipients in their ministry, is the joyful mission of the trustees and staff of the Catholic Foundation of Utah

Finally, let me once again express my deep gratitude to those donors, trustees, clergy, and staff who continue to be the strength of the Foundation. I stand in awe of what is here and in wonder of what we can do. Please pray for me in this enterprise.

Yours in Christ,

Un Mensaje del Presidente de la Fundación

Es para mí un honor, junto con un sentimiento de humildad personal y orgullo compartido, presentarles en nombre de los miembros de la Junta Directiva y el personal de la Fundación Católica de Utah, el Informe Anual 2022. Debemos dar las gracias a muchos, empezando por nuestros donadores, que apoyan generosamente las misiones y los ministerios de la Diócesis de Salt Lake City. También debo agradecer enormemente al personal de la Fundación, comenzando por la Directora Ejecutiva Nevah Stevenson, al Obispo Solis, a su personal diocesano y a mis compañeros miembros de la Junta Directiva, pasados y presentes, por su maravillosa ayuda en la transición dentro de la oficina de la UFC y asumiendo el papel de Presidente de los miembros de la Junta Directiva.

Mientras que la Fundación reconoce que esta es una publicación atrasada de nuestro Informe Anual, la Fundación Católica de Utah ha continuado proporcionando de manera constante un apoyo muy necesario a las entidades católicas en toda nuestra diócesis. De hecho, en 2022 la Fundación superó el notable objetivo de ofrecer más de un millón de dólares para su distribución entre nuestros beneficiarios. Durante los últimos cuatro años, a través de la pandemia y más allá, la Fundación ha estado funcionando sin interrupción en nuestra misión de pastorear y distribuir los recursos que se nos confían.

Este informe ofrece un resumen detallado de los resultados financieros al cierre del ejercicio fiscal de 2018 a 2021. Además, encontrará una compilación detallada del corpus de la Fundación Católica de Utah, donaciones, ganancias, contribuciones y distribuciones de la auditoría de este año fiscal. Seguimos prosperando como una caja de herramientas de buenas opciones para satisfacer las intenciones de los donadores y las necesidades de las parroquias, escuelas, misiones y ministerios de la Diócesis de Salt Lake City.

Por favor, tómese un momento para disfrutar de los perfiles de algunos de los muchos maravillosos donadores y beneficiarios de la Fundación. La Fundación y la Diócesis son bendecidas por la generosidad y visión que crearon más de 400 donaciones. La Fundación acepta con gratitud, las donaciones de cualquier cantidad, ya sea para donaciones nuevas o ya existentes y puede ayudar a los posibles donadores y beneficiarios a definir sus propios legados. A menudo financiadas a través de testamentos, ingresos de seguros, planificación de sucesiones o ganancias singulares, las donaciones son herramientas maravillosas para las contribuciones de legado a las necesidades continuas de nuestra diócesis. Otras son creadas por familias, feligreses, vecinos o compañeros de clase en colaboración para celebrar o recordar, y se ven potencialmente reforzadas por acuerdos, retos y concursos para contribuciones continuas, o solicitudes de donaciones en lugar de flores o regalos.

La Fundación Católica de Utah trabaja fielmente para pastorear, cultivar, proteger y distribuir los frutos de una donación con fines benéficos. Ayudar a los donadores en su generosidad, y a los beneficiarios en su ministerio, es la alegre misión de los miembros de la Junta Directiva y el personal de la Fundación Católica de Utah.

Por último, permítanme expresar una vez más mi profunda gratitud a los donadores, los miembros de la Junta Directiva, el clero y el personal que siguen siendo la fuerza de la Fundación. Estoy asombrado de lo que hay aquí y maravillado de lo que podemos hacer. Les ruego que recen por mí en esta empresa.

Suyo en Cristo,

Howard R. Lemcke

A Message from the Executive Director

Dear Donors, Beneficiaries and Friends,

I am delighted to serve as the new director of the Foundation. This opportunity uniquely joins my

Catholic faith with my professional passions, and puts both to work in service to the future needs of our diocese. I am further grateful for a role that allows me to lead and also follow, to share as well as seek knowledge, and most of all, to witness the impact of generosity.

Over the course of my inaugural year, I have been inspired by the prescience shown by Bishop William K. Weigand, who established the Foundation 38 years ago, and by Msgr. Terrence J. Fitzgerald, a tireless and humble pioneer in our diocese, who has provided stewardship of the Foundation from its inception. Msgr. Fitzgerald's on-going support stems from the knowledge that endowed funds grow when managed wisely, and provide a vital lifeline for the future. Thank you, Msgr. Fitzgerald, for your vision and diligence.

Today the Foundation oversees 430 endowments valued at \$50 Million. Annual distributions from investment

earnings support Utah parishes, missions, seminarian and priest formation, Catholic schools, the homeless, refugee resettlement, and countless other needs within our diocese. It is imperative that we continue this great work.

Thank you to all who have given. And thank you to those considering a gift. As you think about your philanthropy, reflect on the Catholic entities that resonate most with you. When you make a gift plan, whether through your estate or other means, please share your decisions with family, friends, and fellow parishioners. Generational giving isn't limited to genealogy. Our faith and our diocese make us one family. We can all contribute what we can, for the benefit of the whole of the church, and for those in need.

Thank you for your support and for prayerfully considering a future gift.

In gratitude,

Nevah L. Stevenson, Executive Director

Un Mensaje del Director Ejecutivo

Estimados donadores, beneficiarios y amigos,

Estoy encantada de ser el nuevo director de la Fundación. Esta oportunidad une de forma única mi fe católica con mis pasiones profesionales y pone ambas al servicio de las necesidades futuras de nuestra diócesis. Además, estoy agradecida por un papel que me permite dirigir y seguir, compartir y buscar conocimientos y, sobre todo, ser testigo del impacto de la generosidad.

A lo largo de mi año inaugural, me ha inspirado la intuición mostrada por el Obispo William K. Weigand, que creó la Fundación hace 38 años, y por el Monseñor Terrence J. Fitzgerald, un incansable y humilde pionero de nuestra diócesis, que ha administrado la Fundación desde sus inicios. El apoyo constante de Monseñor Fitzgerald se debe al conocimiento de que los fondos de donación crecen cuando se gestionan con prudencia, y proporcionan un salvavidas vital para el futuro. Gracias, Monseñor Fitzgerald, por su visión y diligencia.

En la actualidad, la Fundación supervisa 430 donaciones valoradas en 50 millones de dólares. Las distribuciones anuales de los beneficios de las inversiones apoyan a

las parroquias de Utah, las misiones, la formación de seminaristas y sacerdotes, las escuelas católicas, las personas sin hogar, el reasentamiento de refugiados y otras innumerables necesidades de nuestra diócesis. Es imperativo que continuemos con esta gran labor.

Gracias a todos los que han donado. Y gracias a los que están pensando en hacer un donativo. Cuando piensen en su filantropía, reflexionen sobre las entidades católicas que más resuenan con ustedes. Cuando planifiquen una donación, ya sea a través de su patrimonio o por otros medios, por favor compartan sus decisiones con familiares, amigos y compañeros feligreses. La donación generacional no se limita a la genealogía. Nuestra fe y nuestra diócesis nos convierten en una familia. Todos podemos aportar lo que podamos, en beneficio de toda la Iglesia y de los necesitados.

Gracias por su apoyo y por considerar en oración una futura donación.

En agradecimiento,

A Message from the Chief Financial Officer

Dear Donors,

When I stepped into my role as Chief Financial Officer for the Catholic Diocese of Salt Lake City in January 2021, I was eager to get to know the workings of the Catholic Foundation of Utah. What I found is a remarkable testament to the generosity that exists in our diocese. Thank you to all of the donors who have put their faith into action by giving through the Foundation over the years.

The state of the Catholic Foundation of Utah is strong. In partnership with our investment advisors, our Investment Committee trustees, and the full CFU board, the Foundation is well stewarded and continues to grow.

The investment portfolio has been constructed in a way to mitigate the impact of the markets. I would be remiss if I didn't acknowledge the market performance impact on the endowments. The Catholic Foundation was not immune to the volatility of the stock and bond markets. We saw an

11.3% decline in the fiscal year ending June 30, 2022, which was notably far less than the market overall.

As you read through the details, you will see that the financial report shows the Foundation has grown significantly. Over the last 5 years, the corpus grew by 11.3% and the number of endowments increased by 10.8%. The most significant growth lies in the distributions offered during that same time period. The distributions offered have increased by 49.8%.

It is truly an honor to serve the Catholic Foundation of Utah. In keeping with the mission of the Foundation, to provide financial support to Catholic entities throughout our Diocese, I am grateful for the heartfelt giving amongst us.

Yours in Christ,

Candice Greenwald, Chief Financial Officer

Un Mensaje del Director Financiero

Estimados donadores,

Cuando asumí el cargo de Directora Financiera de la Diócesis Católica de Salt Lake City en enero de 2021, estaba ansiosa por conocer el funcionamiento de la Fundación Católica de Utah. Lo que encontré es un testimonio notable de la generosidad que existe en nuestra diócesis. Gracias a todos los donadores que han puesto su fe en acción donando a través de la Fundación a lo largo de los años.

El estado de la Fundación Católica de Utah es sólido. En colaboración con nuestros asesores de inversiones, los miembros de nuestro Comité de Inversiones y el consejo de la CFU en pleno, la Fundación está bien administrada y sigue creciendo

La cartera de inversiones se ha construido de forma que mitigue el impacto de los mercados. Sería negligente por mi parte no reconocer el impacto del rendimiento del mercado en las donaciones. La Fundación Católica no fue inmune a la volatilidad de los mercados de acciones y bonos. En el ejercicio que finalizó el 30 de junio de 2022 experimentamos

un descenso del 11.3%, notablemente inferior al del mercado en general.

Al leer los detalles, verá que el informe financiero muestra que la Fundación ha crecido significativamente. En los últimos 5 años, el corpus creció un 11.3% y el número de donaciones aumentó un 10.8%. El crecimiento más significativo se encuentra en las distribuciones ofrecidas durante ese mismo periodo de tiempo. Las distribuciones ofrecidas han aumentado un 49.8%.

Es un verdadero honor servir a la Fundación Católica de Utah. De acuerdo con la misión de la Fundación, proporcionar apoyo financiero a las entidades católicas de toda nuestra Diócesis, estoy agradecido por las donaciones de corazón entre nosotros.

Sinceramente,

Candice Greenwald, *Directora de Finanzas*

Chuck Dover

Chuck Dover is a force of nature. When he enters a room, a palpable sense of purpose follows. Sharply focused on giving presence to every moment, Chuck embraces every opportunity to serve and inspires others to join him. A storyteller and a virtual vat of historical knowledge, religious and otherwise, Chuck shares nuggets of wisdom with effortless grace. Most of all, he lives each day with faith and gratitude. That simple model of service, faith and gratitude is the essence of Catholic stewardship, and in Chuck's case, it comes with a beautiful megaphone attached. Chuck not only has the gift of guiding others to philanthropy, but he is also blessed with a magnificent, singing voice.

A product of a kindergarten through 12th grade Catholic education, Chuck graduated from Judge Memorial in 1969. As a Knight of Columbus, he readily embraced the call to serve. During his four decades and two years as a Knight, Chuck has had ample opportunity to support Catholic causes and encourage others to join him along the way.

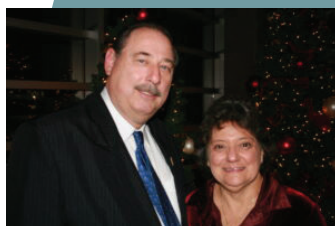

Chuck was recently recognized as Knight of the Year for 2022. Last year, Chuck worked to create his second academic endowment, to support Knights of Columbus families with members studying in higher education or trade school. For Chuck and his fellow Knights, the four degrees of the Knights of Columbus—Charity, Unity, Fraternity, and Patriotism engender a spirit of giving that lifts Catholic communities in perpetuity.

Chuck's outlook on philanthropy was buoyed by an analogy from a speech heard many years ago.

A raindrop falls alone, but as they collect, they grow into streams, lakes, and oceans.

While he supports many different charities, Chuck says his gifts are but drops of rain. "My wealth is people," he states. "I am one who can unite the drops of water, that will become the lakes and streams, and that's where my happiness comes from."

Thank you to Chuck Dover, and the Knights of Columbus, for supporting the Diocese through the Catholic Foundation of Utah.

Robert and Cece Holt

Bob and Cece Holt arrived in Salt Lake City in 1975 and quickly settled into the pews at the Cathedral of the Madeleine. Msgr. Bircumshaw was newly ordained. Main Street in Salt Lake City was undergoing a beautification project. Bob was in law school at the University of Utah, and he and Cece hoped to find connections that would root them to life in Salt Lake City.

After attending their first Mass at the Cathedral, Bob and Cece made their exit at the conclusion, to head home. But as Cece recalls, they didn't get far. Flagged down by parishioner Larry Brennan, they were eagerly invited to come back inside and join coffee hour in the Cathedral's basement.

As time went on, the Holts found not just their spiritual center, but a caring, inter-generational community they could call home. Cece fondly remembers those early years. "There was a closely fostered connection between priest and parish. We were friends with 80-year-olds!" she says with a smile.

Cece and Bob fell comfortably into parish life and Utah living. As their family grew, Bob and Cece were able to send their four children to Cosgriff and later, Judge Memorial Catholic Schools. They were grateful to receive Msgr. Vaughn Scholarships for their children's education along the way. Cece remembers, "Bob and I were so grateful, and he always said that one day, we would give back."

True to their intention, Bob and Cece did give back. They served in the parish youth group ministry, and later as part of the Cathedral Vocations Team. They traveled around the Diocese championing Catholic ministries and encouraging others to get involved.

Bob was a helicopter pilot with the Utah Army National Guard, and retired as an administrative law judge. Cece taught at Cosgriff and Judge Memorial. Cece has served on the board of the Catholic Foundation of Utah for many years and will be stepping down this March. Her work there has been a testament to the benefits of looking to the future, to ensure that the church continues to stand strong.

In December 2021, Bob and Cece established *The Robert and Cece Holt Endowment for the Cathedral of the Madeleine*. The endowment's purpose is to provide financial support to the Cathedral for specific projects, improvements, or parish needs.

Thank you to Bob and Cece Holt for giving back, and for showing love for the Catholic community that welcomed them so many years ago. Cece and the Holt family wish to express their gratitude for the kind donations made to their endowment, in Bob's memory.

V.J. and Loretta Simonelli

“January 21, 1941, was the day of my birth. It was also the day I became an orphan. I was born in Rhode Island and immediately placed at St. Aloysius Home, a Catholic orphanage. In those days, there weren’t many foster homes that would take in an orphan, so this Catholic orphanage was home to many girls and boys. It would be my home for the next eighteen years.”

So begins the story of V.J. Simonelli. He is a testament to the fact that humble beginnings do not define a life, nor do they limit the possibilities for creating a great one. With determination, hard work, and faith in God your life can be bountiful.

V.J. Simonelli grew up in that orphanage, which had separate dormitories on each floor for boys and girls. He shared a large bedroom with 23 other boys, and the children attended the grammar school adjacent to the home. V.J. went on to the local high school, where, upon completion of 12th grade he was faced with another stark reality. He and others who had come of age, had to leave the orphanage and start life on their own.

V.J. decided to join the United States Coast Guard. He served his country, then settled down in Rhode Island where he joined the local Police Department. He met and married his wife Loretta, and they raised their three boys.

Over the years V.J. continued to serve. He became an EMT and then an Emergency Cardiac Technician. He graduated a Certified Paramedical Instructor from Connecticut University and was appointed Emergency Medical Service

Training Director of his local community. He taught pre-hospital care at the Community College of Rhode Island. He became a scuba and diving instructor. He attended trade school and opened his own family construction company. He was a local volunteer Fire Fighter and Rescue Captain for over 20 years. V.J. is not one to let moments go wasted.

After relocating to Utah, V.J. and his family joined St. Francis Xavier Parish. He sang in the choir and served as Maintenance Director for both the parish and school. A Grand Knight in three states, V.J. was appointed Knights of Columbus District Master for Utah, where he served for two years.

Service and faith have always been the guideposts in V.J.’s life. When asked how he managed to do so much, he answers simply, that his faith in God got him through the ups and downs. V.J. believes deeply in living in your best imitation of Christ. “We all need to give back to God, what God has given us. We all need to be Christ like.”

V.J. and his wife Loretta are committed to supporting the Catholic Diocese through the Catholic Foundation of Utah. As he expressed quite succinctly, “Come grow with us and join now!”

**“We all need to give back
to God, what God has
given us. We all need
to be Christ like.”**

UTAH CATHOLIC HIGH SCHOOLS

Graduates of St. Joseph Catholic High School – Ogden, Utah

Endowments within the Catholic Foundation of Utah provide invaluable support for Catholic schools. There are sixteen Catholic Schools in the diocese, and among them, three top performing high schools. Each offers excellence in academic, spiritual, and physical education, preparing graduates to go out into the world with confidence and purpose.

There is also deep history that helps define Utah's Catholic high schools – Saint Joseph was established 145 years ago, Judge Memorial recently celebrated its centennial year, and Juan Diego has been at the south end of the burgeoning Salt Lake valley for twenty-four years.

On the following pages, you will get a glimpse into what makes these schools unique and how students thrive in the Catholic education model.

St. Joseph CHS Seniors Recognized for AP Scores

By Linda Peterson - *An excerpt from The Intermountain Catholic Oct. 14, 2022*

St. Joseph Catholic High School seniors Mercedes Randhahn and Fernando Ruiz have been recognized for excelling in academics.

Mercedes was one of 306 students worldwide who earned a perfect score in the AP Research exam when scored by their academic paper, presentation and oral defense. About 29,000 students took the AP exam.

"I'm very excited about it," she said of the recognition.

A National Merit scholar semi-finalist, Mercedes is what is known as a "lifer" at St. Joseph's, meaning that she has gone through elementary and high school at St. Joseph Catholic Schools.

She is also an AP Scholar with Distinction and will receive the AP Capstone diploma for successfully completing 11 AP courses during her high school career.

In recent results, St. Joseph Catholic High School's composite ACT scores were five points higher overall than state and national averages.

This is not the first recognition she has received. In 2019 she was named Utahn of the Year by Salt Lake Tribune readers for a science project she did on opioids.

Science has always been a passion for Mercedes, who has also taken top awards at the diocesan science fair and the University of Utah Science & Engineering Fair. In May she took second place in the Translational Medical Science category at the International Science and Engineering Fair.

She is planning to apply to several universities with advanced biochemistry programs. She hopes to pursue a PhD in biochemistry and then complete a law degree.

"I want to use my research background to advocate for implementation of various scientific discoveries in terms of health care reform," she said. "Everything that I have been doing has been in order to create solutions for people that don't have opportunities to access health care," she said.

Mercedes also is active in the community. In January she founded the Ogden Youth Association, a nonprofit that hosts a variety of events aimed at "impacting the community in a positive manner, to potentially help

people understand that the mountains of Ogden are a great resource," she said.

She also initiated a movement to have a flag designed for Ogden City and is in the process of completing her pilot's license.

Mercedes attributed much of her success to SJCHS Principal Clay Jones; Kari Lane, the school's alumni/enrollment/marketing manager; and chemistry teacher Kory Ulle.

"They have been most influential in my success and my aptitude as a student, because they push my limits and have allowed me to attend courses at Weber State University and supplement my education elsewhere," she said.

Her classmate Fernando Ruiz spent several years attending schools in Okinawa, Japan where his father, an Air Force master sergeant, was stationed before moving to Utah when Fernando was in eighth grade. He has been attending St. Joseph Catholic High School ever since.

Fernando recently received the AP College Board National Hispanic Recognition Award. He was one of 7,000 Hispanic students who scored in the highest percentile in the PSAT/NMSQT among 250,000 high school juniors who took the exam last year.

"It's good to know that all the late nights, the boring class periods – that that wasn't in vain," he said. "This opens up the way for better college acceptance rates for me, as well as other scholarships."

Continued from previous page

Fernando hopes to major in chemical engineering at a college such as Texas A&M, the University of Utah or Colorado School of Mines. He would like to pursue a career in firearms engineering or automobile engineering.

“There’s a lot of people that helped me along the way; they pushed me,” he said. “I had a lot of my friends, a lot of my teachers, especially my family and my girlfriend – they have all been a really big help, helping me through the stressful times and the workload.”

“Mercedes and Fernando’s accomplishments are examples of what all of our students strive for when taking AP courses,” SJCHS Principal Clay Jones said. “With the support of their teachers, these two students are excelling in all that they do here at St. Joseph Catholic High School.”

In recent results, St. Joseph Catholic High School’s composite ACT scores were five points higher overall than state and national averages.

Juan Diego Catholic High School – *Spiritus Donorum*

Juan Diego Catholic High School isn't just about academics. Part of the 57-acre Skaggs Catholic Center in Draper, Juan Diego Catholic High School is a five-time Best of State winner, a 2019 National Blue Ribbon School of Excellence by the US Department of Education and ranked by the Washington Post as one of the most challenging high school programs. It's no secret that Juan Diego Catholic High School places an emphasis on academics and the success of its students. However, JDCHS's mission is to develop the whole person by serving God, while providing a challenging academic education rooted in Catholic values. Faculty and staff believe in the importance of seeing, hearing, and encouraging students throughout the day, as well as instilling the school's motto, "Spiritus Donorum," spirit of giving.

As an educational leader in blended learning, Juan Diego is expanding its campus to include several innovative science and engineering spaces. These state-of-the-art facilities include a virtual reality lab, eight new cutting-edge science labs and classrooms, an engineering lab, four collaborative classrooms, and a newly renovated computer lab. This will give students more opportunities to learn STEM subjects in an interactive setting. Continuing Juan Diego's long-standing partnership with Arizona State University, a virtual reality lab is under construction and

will revolutionize how our students learn. With this new technology, teachers can conduct virtual reality lessons in which students interact with the content in focused, virtual environments.

A newly developed engineering space, when combined with specific engineering coursework, will provide students with opportunities to explore design thinking, problem-solving, technology, and creative skill sets. The lab offers a space for students to work on group projects and build prototypes. These opportunities are key to developing the skills required to become successful engineers in the future.

Judge Memorial Catholic High School – 100 Years and Counting

Positioned in the urban heart of Utah’s capital city, Judge Memorial Catholic High School embraces the charism of Cura Personalis, which means to take a holistic approach to invest in students’ intellectual, social, physical and spiritual development, so they can thrive as citizens of the world. As the school honors its 100-year history, it also looks ahead to lay the foundation for the next 100 years.

Founded by immigrants-turned-entrepreneurs, Judge Memorial combines Catholic faith tradition with 21st-century innovation, to foster a vibrant student community dedicated to scholarship, service and spiritual growth. The threads of Judge Memorial’s past and present are inextricably linked, empowering the vision for the school’s future.

The footprint for the current school building was originally Judge Mercy Home, a hospital established for coal miners working in Park City and founded by immigrants-turned-Silver King Mine magnates John and Mary Judge. As the need for a hospital dedicated to the care of black lung patients subsided, Mary Judge worked with the Catholic Diocese of Salt Lake to convert the facility into a school. Mary Judge, considered a pioneering entrepreneur of the era, passed away just before what is now Judge Memorial opened in 1921.

In 1964, Bishop Joseph Lennox Federal brought in the Oblates of Saint Francis de Sales to run Judge Memorial as an all-boys school, while girls could attend St. Mary of the Wasatch Academy. Finally, in 1970, St. Mary closed and girls once again joined the boys at Judge.

Over the last century, Judge has fostered, sustained, and cemented an engine of excellence in education. Judge is the only school in Utah to win the prestigious Blue Ribbon award more than once — earning the designation four times.

For 100 years, Judge has built a proud legacy of preparing students for college and making a meaningful mark on the world. The school remains dedicated to offering a rigorous curriculum and supportive environment, while ensuring that the doors are open to students of all backgrounds.

With the present-day guidance of a committed administration, faculty and staff, the school continues to build upon the legacy of Catholic education started by Mary Judge. As Judge Memorial embarks on its second century, the institution remains invested in Cura Personalis and empowering Builders of a More Just Society.

THE PRIESTHOOD

My Journey to the Priesthood

Father Tristan Dillon, Parochial Vicar of Saint George Catholic Church, Shares His Story

My name is Fr. Tristan Dillon, and I am the most recently ordained priest for the Diocese of Salt Lake City. While I am now a proud Utahn, I was born in Seattle, Washington—a true child of the Pacific Northwest, raised drinking coffee after mass from a young age. When I was 16 my father got a job in St. George, Utah, so my family packed all of our things and moved.

After arriving in Utah, I began to volunteer at the local parish and spend time praying before Christ in Adoration, discerning why God had called me to Utah. It was here that I began to discern my vocation with a simple prayer, “Lord, what am I supposed to do with my life”? As I made this prayer, I eventually felt drawn to the priesthood.

I realized that I wanted to give my life to Jesus Christ in a crazy and radical fashion, and I wanted to be able to serve the people of God.

I began to meet with the parish priest for spiritual direction and he shipped me off to Salt Lake City to meet with the Vocations Office and the Bishop. I was accepted to the diocese and sent to Mount Angel Seminary in Oregon in the fall of 2013 to begin my journey. Four years

later, I graduated from the college program with a degree in Philosophy and Literature. After college, I continued at Mount Angel for my theological studies. In April of 2022, I graduated from the seminary with two masters degrees in Theology and Divinity, plus a Sacred Theological Baccalaureate from the Anselmo in Rome. Then the best thing happened, I was ordained a priest on the Feast of the Sacred Heart of Jesus on June 24, 2022.

It is through the donations of the faithful of Utah that I was able to discern the priesthood without having to worry about the financial cost.

It is odd to sum up over a decade of my life so quickly. My discernment and journey toward the priesthood has been filled with many incredible memories and countless wonderful people. I grew up in a poor family, so the thought of going to college was outside of the realm of possibilities without incurring incredible financial debt. I was blessed to learn that the Diocese of Salt Lake City takes on the financial burden of seminary education. It is through the donations of the faithful of Utah that I was able to discern the priesthood without having to worry about the financial cost, rather I could fully give myself to discern the will of God for my life. I am truly blessed by the support, and I cannot thank you enough for your support to both the CFU and the DDD.

Thank you for your service to our Diocese, Fr. Dillon.

“Given the foundation of long-term spiritual and seminary development, Fr. Tristan Dillon has advanced into a new life now forever encompassed in the Sacrament of Holy Orders. To witness his growth these many years is to witness the growth of one who now devoutly and knowledgeably executes the office of the priesthood and carefully lives his faith among his parishioners. I have watched as Fr. Tristan has walked resolutely toward becoming a servant of all.”

THE PILLARS

Pillars supporting the future of the Catholic Diocese of Utah

Pillar One | The Bishop's Future Fund

The Catholic Church in Utah has grown dramatically in the last two decades. New facilities and substantial upgrades were completed in several urban and rural areas. The continuing escalation of property costs hastens the need to plan now, for future expansion. Prudent land purchases now, in areas where population growth will require new churches and schools, will save the Church money later. The Bishop's Future Fund will be used to:

- Buy land for future parish and mission communities
- Build new churches, schools, and facilities
- Expand and renovate already existing structure

Pillar Two | Funding for Youth Ministry and Catholic Schools

The Youth Ministry and Education Endowment exists to support programs which will protect and nurture our children. It will provide monies for catechetical materials and religious education. Finally, by providing an additional subsidy, it attempts to drive a significant wedge between rising costs of education and the need to provide a just and fair salary for our teachers.

Pillar Three | Training for the Priesthood

Accelerated growth underscores the need for more well-trained priests and pastors. Preparation for the priesthood is a lengthy process of academic studies, formation in spiritual life, and training in pastoral skills. The cost is in excess of \$40,000 annually for each seminarian. A well-funded Seminarian and Priestly Formation Endowment will make it possible for the Diocesan Vocations Office to carry out an aggressive recruitment effort aimed at encouraging candidates for the priesthood. Further, it will ensure those who do answer the call will be educated and well-trained throughout their lifetime of service to the Church.

Pillar Four | Supporting our Rural Church Communities

In Utah's isolated regions, the challenge for the Church has been to support and maintain the faith of Catholics living there. Work conditions for the priests, deacons and lay evangelizers are daunting. Each month they travel thousands of miles to provide Mass, sacraments, and religious instruction. The costs of gas and car maintenance is significant. Resources among the local people are slim. Endowed gifts donated to the Catholic Rural Missionary Outreach and Development Endowment will be used for:

- Transportation needs including purchase of vehicles
- Purchasing of communications and data processing equipment and software
- Providing catechetical resource materials

COME GROW WITH US

The Catholic Foundation of Utah
Nurturing our Catholic faith for generations to come.

Ways to Give

The Catholic Foundation of Utah receives, manages, and administers the following types of endowments:

Permanent Endowments – Gifts designated to be permanently invested. Only the appreciation income is available and is distributed annually to the beneficiary.

Family Named Endowments – Established in recognition of one’s own name, a family name, or in memoriam, created with a required initial gift of \$10,000.

Temporarily Restricted Endowments – Allow both the principal of the gift and appreciation on those funds, to be used by the beneficiary organization.

Unrestricted Endowments – Funds available for immediate and direct program support, as well as support for Foundation operations.

Wills and Charitable Requests – The Catholic Foundation of Utah thanks you for including the Church in your estate planning. You can do so by consulting with your estate planning attorney, or by simply adding the following statement to your will or trust:

“I give and bequeath to (legal name of parish, Catholic school or your favorite Catholic charity), whose legal address is (parish, school or charity address), the sum of (dollar [\$] or percentage [%] of your residuary estate) for such purposes as (charity[ies] name) shall determine are in the best interests of (charity[ies] name).”

LEGACY LEADERSHIP

Support the future growth and stability of the Catholic church in Utah.

Make your charitable gift provisions for Catholic entities, today.

The Legacy Leadership Program was created by the Trustees of the Catholic Foundation of Utah, to address both the needs of individual parishioners and parish communities as a whole. The goal is to serve the universal need to plan for the security and wellbeing of the church and its families.

It is a hard reality that six out of ten adults do not have a will. We tend to put off planning for all sorts of reasons, and unfortunately in the absence of a will or trust, courts are forced to determine the distribution of an estate. The Legacy Leadership Program provides resources for assistance in drafting a will or trust, or the amendment of existing documents. It is never too early to make a plan.

'It is more blessed to give than to receive.'
~Acts 20:35

Legacy Leadership Society Members

The Legacy Leadership Society was established to honor those persons or families who have made, or intend to make, a legacy gift to their school or parish communities or for other Utah Catholic charities, through their will or trust.

THANK YOU TO MSGR. J. TERRENCE FITZGERALD

On behalf of the Trustees of the Catholic Foundation of Utah, and the Diocese of Salt Lake City, we wish to extend heartfelt gratitude to Msgr. J. Terrence Fitzgerald, for his visionary and intentional work with the Foundation. During his more than 60 years of priesthood, Msgr. Fitzgerald has served in every major post in the diocese—from pastor to Vicar General, school superintendent to executive director of Catholic Charities (now CCS), and in countless other positions. Today, as Assistant to Bishop Oscar A. Solis, he continues to work diligently for the good of the diocese and our Catholic community.

Thank you, Msgr. Fitzgerald for your vision and grace.

“Bishop William K. Weigand established the CFU with the hope that it would support the financial stability of the diocese and thereby advance the growth of the Catholic Church in Utah.

With the support of generous benefactors, the CFU has grown beyond all expectations as it provides assistance for our parishes, schools and ministries of charity. The CFU has truly been the story of success.”

~ Msgr. J. Terrence Fitzgerald

We cannot be Christians part-time. If Christ is at the center of our lives, He is present in all that we do.
